24 January 2017

Dear Parents and Carers,

February 7th 2017 is **Safer Internet Day**, a day that is very important to our school and pupils. Safer Internet Day is coordinated by the Insafe network and is celebrated every year across Europe, and in other countries worldwide.

In the UK, Safer Internet Day is organised by the **UK Safer Internet Centre** ([www.saferinternetday.org.uk](http://www.saferinternetday.org.uk)), and this year's theme is "Be the change: Unite for a better internet." Our school is participating alongside hundreds of other schools across the UK and students will be learning about how to use the internet safely and positively.

To celebrate the many positives of the internet, and to raise awareness of the issues that children and young people face online today, we will be hosting an online safety information evening for parents and carers. The UK Safer Internet Centre who developed this presentation are experts in the field of online safety education and we highly recommend that you attend this event. The session will provide practical advice and safety tips to help manage online safety issues, and discussions surrounding suitable behaviour online.

The session will be on Tuesday, 7<sup>th</sup> February, 2017 at 5.00pm and will last for 30 minutes, with time for questions too.

We believe that internet safety education is a crucial element of the curriculum and an essential part of your child's development. This session is designed to help you become more aware of the safety messages that your children receive in school in order to reinforce them in your home environment.

We really hope that you will be able to attend and look forward to seeing you.

Yours sincerely

Mrs J Bradley  
Executive Principal
