

Dear Parent/Carer, Assalamu Alaikum (may peace be with you),

Re: School Bus Information

Thank you for your patience and support during the settling in period at the beginning of the academic year. We hope your child/ren has settled well into their new routine.

Due to the new school timings, Moving People, our bus company, have provided us with timings for the stops. We hope this eradicates any confusion caused and I request that any previous timings sent to parents are disregarded. The timings for the bus stops can be found here: [V2 service.pdf \(oliveblackburn.com\)](#)

In order to our bus service safe, effective and efficient we ask parents to please note the following points:

- it is essential that you are at the bus stop on time for drop off and collection. The bus driver will not be able to wait for any late children or parents. If there is no responsible adult at the stop to collect your child, your child will be taken to the last stop and you will be expected to make arrangements to collect them from this stop as soon as possible.
- Due to time restraints, parents will not be allowed on the bus with their child and we kindly request that you pass your child to the Passenger Support Assistants on the bus who will ensure your child is safely seated.
- Please do not block the bus stops or park where the bus needs to stop. This poses a safety risk for children embarking and disembarking on the bus and also causes disruption and delays to the journey.

If you have any further questions, please do not hesitate to contact the school on 01254 54070 or via email on info@oliveblackburn.staracademies.org.

I would like to take this opportunity to thank you for your patience and continued support. Please remember the school in your duaas.

Yours faithfully,

Mrs S Mohmed
School Business Manager
