

1st January 2023

Dear Parent/Guardian,

Assalaamu Alaikum / May Peace Be Upon You

I pray that you and your family are well and have enjoyed a restful winter break. 2023 is here, and I pray that this year brings you all health, happiness and success in your endeavours, Aameen.

As the new term approaches, I am writing to remind you of the of the continued arrangements for the term ahead Please read below:

School Opening and timings

School will re-open on Wednesday 4th January 2023, the school gates will be open at 8:00am with school officially starting at 8:15am. Breakfast club will be open as usual on Wednesday 4th January from 7:30am. Please note that our weekly school timings are as follows:

- Monday – school will start at 8:15am and finish at 3:25pm
- Tuesday – Friday, school will start at 8:15am and finish at 2:35pm

Attendance and Punctuality

Many of our pupils missed learning last term due to the sickness bug which couldn't be helped but many children, unfortunately missed out on achieving their 100% attendance for the term. This term, it is vital that all pupils aim for 100% attendance and attend school daily.

Please also note, the school is not allowed to authorise any trips abroad during term time unless there are exceptional (emergency) circumstances specifically for the child. A trip abroad during term time will cause considerable harm to learning and may result in a penalty notice. Thank you for your support with this.

Snack time

All children have breaktime at 10:30am each day. During their break children are allowed to enjoy a healthy snack. All EYFS and Key Stage 1 children are provided with some fruit as their snack from school. They do not need to bring in snack from home.

Key Stage 2 children need to bring their own **fruit** snack from home each day. Parents of Key Stage 2 children are reminded to ensure that all children are sent to school with just a fruit snack, a healthy alternative such as cheese strings, cereal bars or yoghurt can be brought in on a Friday only.

No sweets, chocolates or crisps are allowed.

Uniform

Please ensure your child/ren are always sent to school in the correct uniform. In particular pupils:

- Must wear their full uniform at all times, including on the day when they have PE lessons.
- Must wear plain, black shoes at all times. Trainers are not permitted.
- Are not permitted to wear jewellery (this includes earrings) or smart watches.

- No rucksacks are allowed in school, children must use the official school bag for their books and have separate lunch bag if they are on packed lunches.

To support parents with the rising cost of living, we have also launched our second hand 'pre-loved' uniform scheme. For further information, please contact our admin team if you would like to purchase any items.

Enrichment Clubs

Enrichment club will re-start on Wednesday 4th January at 2:35-3:15pm. Each year group will deliver a variety of enrichments over the year such as Nasheeds, Art and crafts, STEM, Mad science, Drumming, Fitness, Cooking club etc.

Please note that we no longer run a Sibling’s club, these children are now taking part in the afterschool enrichment clubs, for this reason these children will be dismissed at **3:00pm** from the main office. Any children who have siblings from TIGHS picking them up will be dismissed at **3:15pm** from the children’s normal dismissal points.

Road Safety

Last term, a few parents took dangerous risks when collecting their children at the end of the school day. As a result, we are really worried that there will be a serious accident, causing harm to a pupil or a pedestrian in our community.

At the end of the school day, please make it your practice to park in a safe place and collect your child from their dismissal point. Please ensure your child is walking close to you as they leave the school site.

- Please do not park on Meins Road, we have plenty of parking on the school car parks.
- If you are parking in the school grounds, please only park in the parking bays. There are many parking bays available.
- When parking, please do not block any other cars.
- Please drive slowly and carefully around the school estate. Please be very careful when turning into Preston New Road.

Live to Give – Give to Live campaign

Many thanks for your support with our on-going pledge to support our local food banks. Last term all year groups were assigned a specific week in which they were to donate at least 3 food items to our local food banks. Your generous donations have ensured that last term we regularly supplied our food banks with essential items that have helped so many local families. This term we aim to continue this drive with your support. Please see below when your child’s year group will be asked to bring in their items. A text message will also be sent out each week as a reminder. Jzk, in advance for your continued support.
