PHYSICAL EDUCATION AND SPORT PREMIUM FUNDING: 2022/23

IMPACT REPORT

For the academic year 2022/2023 the school received £16,000 plus an additional £10 per pupil in Years 1-6. The school received a total of £21,480.

The table below indicates how the PE and sport premium funding was spent, along with the impact that this had in relation to five key indicators:

1. providing targeted activities or support to involve and encourage the least active children
2. encouraging active play during break times and lunchtimes
3. establishing, extending or funding attendance of school sports clubs and activities and holiday clubs, or broadening the variety offered
4. adopting an active mile initiative
5. raising attainment in swimming to meet requirements of the national curriculum before the end of key stage 2 - every child should leave primary school able to swim.

Indicator number	Activity/resource	Expenditure	Impact (effect of activity / resource on participation rates/progress/ attainment of groups of pupils) and sustainability
1,2	After school enrichment clubs	£695	<ul style="list-style-type: none">• 85% of our pupils accessed after school sport during the 2022-2023 academic year• The children were involved in multi-sport activities such as mini golf, hurdles, soft javelin. Resources were bought to enable pupils to participate in sessions these exciting afterschool clubs.• Funding has sustainable impact: these clubs will continue into the next academic year, with pupils encouraged to broaden their repertoire of sports.• Pupils were able to take part in activities in addition to those delivered in curriculum time.• Children who would not normally opt in for PE enrichment were targeted to attend.• Each year this list of children who

			will most benefit from participation is updated to ensure that the correct children are encouraged to attend.
3	PE Coach	£21,152	<ul style="list-style-type: none"> • School staff delivered high quality PE lessons with the support of the PE coach who has upskilled them in teaching of various activities and sports, so that the school's provision is sustainable. • The PE coach has also delivered before school, lunchtime and after school PE activities for pupils from year groups across the school. • Additionally, the PE coach delivers specific SEND intervention sessions to groups of children daily. The children who participate have additional needs that are linked to their physical development, and they follow a bespoke programme that is stipulated within their individual support plans. These extra sessions have enabled children to improve their co-ordination and further develop their fine and gross motor skills. • The coach has delivered training to specialist support assistants. This has upskilled them on how to support pupils with special educational needs, thus supporting sustainability as they will continue to work with these children.

			<ul style="list-style-type: none"> The confidence and enjoyment of pupils from EYFS through to Year 6 has increased this year. Pupil questionnaires show that 89% of pupils say that they enjoy PE lessons. We are determined to further improve the level of positive responses and are working with those less confident pupils to broaden the range of activities available to them.
1	Sports/Sports Day Equipment	£185	<ul style="list-style-type: none"> Sports day equipment was purchased in order to enhance school provision for PE. Sports day is an annual event in the school calendar and the equipment we have purchased will mean that the event continues to be of high quality.
4, 5	Blackburn-with-Darwen School Sports Partnership	£850	<ul style="list-style-type: none"> Funding has paid for the annual service level agreement with Blackburn-with-Darwen Sports Partnership. This allows the school to enter competitions with other schools. These competitions include football, netball, cricket, Boccia, and many other multi-sports events. and gifted and talented camps. The school aims to continue with this partnership year on year.
2	Playground equipment purchased so that staff can lead active play during lunch and break times.	£400	<ul style="list-style-type: none"> The school has purchased a range of playground equipment to ensure our children have high quality resources to play active and fun games during lunch and break times.
	Total	£23,282	

Swimming

Swimming is part of the national curriculum and is widely regarded as one of the most effective forms of exercise. Swimming helps to build strength and endurance and improve cardiovascular fitness. We aim to ensure that all of our Year 6 pupils leave school as strong and confident swimmers who understand water safety.

Unfortunately, due to the constraints placed on local swimming pools due to the Covid-19 pandemic, we have been unable to provide swimming lessons for the Year 6 cohort who left our school in July 2022.

PHYSICAL EDUCATION AND SPORT PREMIUM FUNDING: 2022/2023

For the academic year 2023/2024 the school will receive £16,000 plus an additional £10 per pupil in Years 1-6. The school will receive a total of £21,470

The table below indicates how the PE and sport premium funding will be spent and the sustainable impact that it is intended to have in relation to five key strands:

1. providing targeted activities or support to involve and encourage the least active children
2. encouraging active play during break times and lunchtimes
3. establishing, extending or funding attendance of school sports clubs and activities and holiday clubs, or broadening the variety offered
4. adopting an active mile initiative
5. raising attainment in swimming to meet requirements of the national curriculum before the end of key stage 2 - every child should leave primary school able to swim

Indicator number	Activity/resource	Expenditure	Intended Impact (effect of activity / resource on participation rates/progress/ attainment of groups of pupils) and sustainability
1,3	Blackburn-with-Darwen sports partnership annual service level agreement.	£850	<ul style="list-style-type: none">• To allow our school access to additional resources and support from local experts.• To ensure the school is involved in inter- school competition• To allow the school to access CPD for school staff in a variety of disciplines.
1	After school enrichment clubs- refreshments, energy and resource costs.	£600	<ul style="list-style-type: none">• To allow children access to activities that enrich the curriculum PE offer.• To enable us to identify 'talented' pupils and signpost them to opportunities to develop that talent.• To allow the pupils to experience a wide range of PE activities throughout the year.• Staff who are leading these clubs and are aware of best practice and are more skilled in delivering these clubs.

1	Sports equipment (rugby, basketball & gymnastics)	£400	<ul style="list-style-type: none"> To ensure that we have high quality, relevant resources for all PE and sports activities to enable pupils' learning and sustain participation.
1, 2, 4	PE coach salary (PE coach's time is used to train and support staff, and to lead extra-curricular activities.)	£22,282	<ul style="list-style-type: none"> To continue to deliver high quality PE lessons alongside the school staff ensuring that they are developing the skills to deliver the PE lessons themselves To continue to deliver before school, lunchtime and after school PE activities for pupils in all year groups throughout the school. To continue to build the confidence and enjoyment of pupils from EYFS through to Year 6 with participation in sports.
5	Supplementary swimming lessons, in addition to those which form part of standard provision, for pupils in upper key stage 2 who are not confident and competent swimmers.	£600	<ul style="list-style-type: none"> To ensure that all pupils leave Year 6 able to swim competently.
1	Training for new members of staff on delivering Forest School activities and expanding our Forest School repertoire. Training for pupil leaders in Forest school activities.	£941	<ul style="list-style-type: none"> All pupils benefit from Forest School provision during their time in school. Children who are least likely to participate in sports are targeted for Forest School enrichment activities. Pupil leadership is developed in Forest School context Staff training ensures that Forest School provision is sustainable.
